

THE ROYAL SIGNALS ASSOCIATION

Did you serve in the Royal Corps of Signals?

The Royal Signals Association was formed in 1920, shortly after the Corps. Today our objects are to provide comfort and relief to past and present signallers and their dependants who are in need (through the Royal Signals Benevolent Fund RSBF) see <http://royalsignals.org/rsbf> and to foster comradeship within the Corps family, serving and retired (through the Royal Signals Association RSA). Any person who served in the Corps – Regular, Reserve, TA, NS, ATS and WRAC is eligible to join.
